Le Souverain

THE PINNACLE OF CHÂTEAU KSARA'S WINEMAKING EXCELLENCE.

ABOUT

Le Souverain was created to celebrate Château Ksara's 150th anniversary. It's popularity among devotees of fine wines ensured it became a permanent fixture of the Château Ksara range and every subsequent new decade is celebrated with a commemorative label.

GRAPE VARIETIES

Marselan and Arinarnoa

WINEMAKING

After rigorous monitoring of the tannins and anthocyanins from the veraison onwards, the grapes are manually harvested, destemmed and vatted in thermo-regulated tanks followed by daily tastings and regular *remontage* (pump over). Following malolactic fermentation, the wine is then aged in new French oak for 24 months in our Roman cellars and then bottled without filtration.

AROMAS & FLAVORS

A dense deep purple hue with intense aromas of bouquet of dark wild berries, spice, licorice, fennel and carob.

PAIRING

Serve with game, red meat dishes in sauce, as well as fish cooked with red wine. It should be served at room temperature.

DRINKING WINDOW

Will reveal all its potential in three or four years or can be cellared for up to 30 years. Decant at least an hour before serving.
